Certification:

Eligibility for financial assistance from the Delaware Economic Development Authority is determined by the information presented in this application and in the required exhibits and attachments. Any change in the status of the proposed project from the facts presented herein could disqualify the project.

To the extent permitted by Delaware’s Freedom of Information Act, all information contained in this application or obtained by the Authority in investigating or considering this application will be kept confidential, except for disclosure to the staff and attorneys of the Authority and the Delaware Division of Small Business (“DSB”).

I, the undersigned, being duly sworn upon my oath say:

1. The Applicant as listed, including all majority owners of the entity, are the recipients of the funds. 2. The Applicant hereby agrees, if this application is approved, to comply with all federal, state, and local laws affecting the grant to be issued and the operation of the proposed project. The Applicant further agrees to comply with all of the terms of the Agreement that governs the financial assistance. As part of this agreement, the Applicant agrees to use its best efforts in good faith to meet all employment projections set forth herein and to give the first opportunity of employment to qualified Delaware residents for all unskilled and semi-skilled workers employed by the applicant. The Applicant agrees to report to the Authority, no later than June 30 of the year following the start of its operation of the project, the total number of its unskilled and semiskilled employees and the number of its unskilled and semi-skilled employees who were residents of Delaware at the time of their employment. 3. The Applicant hereby agrees that any officers, employees, agents or attorneys of the Authority or the Delaware Division of Small Business (“DSB”) may have access to and copy any and all information in any form pertaining to Applicant, including, but not limited to, tax returns and information from tax returns as used in 30 Del.C. §368, in the custody of any State of Delaware, or other State, department, agency, instrumentality, division, office, board, bureau, council, commission, committee, panel or “public body,” as that term is defined in the Delaware Freedom of Information Act, 29 Del. C. § 10002(a), including, but not limited to, the Departments of Finance, State, Labor, and Natural Resources and Environmental Control of the State of Delaware, the United States Environmental Protection Agency, the United States Department of Labor, the National Labor Relations Board or any other agency of the federal government having custody of information deemed pertinent by DSB or the Authority staff or attorneys in evaluating Applicant’s application for assistance. 4. This application, with all attachments & exhibits, is the product of diligent and reasonable investigation that I have either overseen or been personally involved. 5. I have carefully read this application, including all attachments and exhibits, and the information contained in this application, including all attachments and exhibits, is true, accurate and complete to the best of my information and belief. 6. I am a director or officer acting within the scope of my employment and authorized to act on behalf of the Applicant. 7. I understand that if I have intentionally made a false statement in this application, or someone else has made a false statement herein that I know or believe to be false, I am subject to criminal prosecution. Further, the Authority, at its option, may terminate its financial assistance. 8. That the information reported herein is true, accurate and complete. I understand that these reports are made in support of claims for government funds. 9. I understand the Authority may also require additional information as determined by Authority staff.
