

Encouraging Development, Growth And Expansion (EDGE) Grant

FACT SHEET

Overview: The EDGE Grant program gives qualified small businesses in Delaware an opportunity to level the playing field compared to larger businesses, by offering access to significant capital. The Division of Small Business (DSB) awards EDGE Grants through a competitive selection process. The funds are provided as a \$3 (state) to \$1 (business) match. STEM-based companies can receive up to \$100,000 for eligible expenses. Entrepreneur Class (non-STEM) businesses can get up to \$50,000. The Division can provide up to 10 grants per application round (5 STEM/5 Entrepreneur). Applications are accepted two times a year, once in the spring and once in the fall during a specified application period.

How to Apply:

Edge applications can be found on our website, <https://business.delaware.gov/edge/> when the application period is open, and by clicking on the 'download application' link. You may fill out the application online and submit it as a PDF to edgegrants@delaware.gov (applications are only accepted electronically within the designated timeframe).
